Outfall Systems Plan
Public Information Meeting**

Wednesday, May 5, 2010
6:30 p.m. – 8:00 p.m.

City of Louisville
749 Main Street
Louisville, CO 80027

Join project sponsors to learn more about an outfall systems planning study for the City of Lafayette–City of Louisville boundary area. This is a stormwater drainage master plan.

The study area is generally bounded by Centaurus High School on the east, Empire Road on the south, the BNSF railroad on the west and Paschal Drive on the north.
